

FUNDRAISER EVENTS

16 Tons has been highly involved in our community for many years and has partnered with many organizations to host successful fundraisers. Partner organizations are only responsible for advertising the fundraiser through newsletters, emails or whatever networking/outreach channels are available. In the past this been a profitable event for many organizations.

Option 1 – Flyer Fundraiser

We provide a digital fundraiser flyer, which can be printed and distributed to promote the event. 16 Tons Cafe donates 25% of the value of all sales (including all food, beverages and gift cards) when the flyer is presented on the day of the fundraiser. The fundraiser goes all day.

- Customers must bring in a printed flyer or display one on their mobile device
- Flyers cannot be posted or handed out at 16 Tons Cafe
- 16 Tons Donates 25% of the sales from customers w/flyers
- Fundraiser can span an entire day
- Sunday is the preferred day to ensure biggest turnout, Monday and Tuesday are also possible

Options 2 – The Mixer

We provide a digital flyer, which can be printed and distributed to promote the event.

- Fun opportunity to gather your group members in one place
- Available times 4-6pm or 8-10pm any night except Wednesday
- 16 Tons donates or discounts \$1 from each glass of Beer and Wine sold
- This is great for groups and clubs and also makes scheduling easy for after work
- Cafe or Taphouse locations available

Whenever we do a fundraiser, the charity can place a box on the counter for cash donations. This proves to frequently generate more income than the actual fundraiser.
